

CH08
48-M

Naytura's Fallow and Antler Chandelier blends a hand stamped copper clad ring, highlighted with bronze accents with natural Elk and Deer antlers. Using traditional methods of antler chandelier construction, each chandelier is a one of a kind. Using three to four chains for support, these fixtures inspire both beauty and substance.

The standard Fallow and Antler Chandelier has Mica inserts at the bottom of the ring, which provides a warm glow that sets the mood instantly. More direct light can be created by substituting Glass for the Mica, and can be further enhanced by using a smaller Alabaster bowl to accent the piece.

Approximate Specifications:

(Due to natural fallow and antler, each fixture will vary slightly in size)

Width:	36" Ring (46" to 50" total width)	48" Ring (52" to 56" total width)
Height:	36" to 44" total height	42" to 54" total height
Weight:	140 to 170lbs	210 to 245lbs
Illumination:	6 to 8 candelabra bulbs up to 40 watts each 6 to 8 incandescent bulbs up to 60 watts each (downlight)	

Customization:

*Size of Chandelier - widths between 36" to 72"
