Mica Chandelier - Aspen

Naytura's Aspen Mica Chandelier is available in a variety of sizes, ranging from 24" to 38". This fixture is the perfect addition to any room, providing a warm romantic light that is a trademark of using a gold mica. The aspen leaves and branches grow from the center of the fixture towards the leaded edge of the mica.

Optionally, this fixture is available as a pendant fixture, which uses a beam instead of chain for mounting. The inherent shallowness of the chandelier, lends itself perfectly to those types of applications.
