Alabaster / Art Glass Twig Chandelier

Naytura's twig chandeliers can be ordered with art glass or with alabaster. The art glass chandelier is only available in the 24" size, while the alabaster fixture can be either 24" or 32" wide. Both the art glass and the alabaster versions of this fixture provide a comfortable warm light.

Our twig chandelier is one of the more contemporary fixtures that Naytura produces. Each twig is hand crafted, which ensures that no two chandeliers will be the same.
