

The blending of Naytura's Bronze Fighting Bull Elk, along with our Rectangular Chandelier design, will compliment any mountain lifestyle. The use of mica, as with any of our mica fixtures, will provide a soothing and warm light source that will compliment your environment. The elk statuettes are prominently displayed on top of the fixture, as four hand crafted branch arms secure this hanging sculpture.

Hand crafted details and hand stamped iron work create a piece of art that is both beautiful and functional.
