## Bronze Pine Tree Sconce

*This sconce is enhanced using colored patinas to accentuate the Pine Trees, which make the detailing stand out. A Bronze cast is used to create the Pine Trees, while the hand hammered backplate serves as a canvas to highlight their detail.*

*Your application will dictate the use of either an up or down light and of course what type of shade best fits the design of your home or office. As an additional option, one can specify this design as either a single or double light configuration.*
