## Vanity Sconce - 4 Light

*Naytura's vanity sconces are designed to enhance and provide adequate lighting for any bathroom or powder room. Multiple options for each vanity fixture assures that the proper size, orientation, and natural elements are available for any type of project. Choosing between pine, aspen or oak will also guarantee that the lighting fixture will have the detailing found in the area around the home.*

*The space of the project will specify the use of either the two, three or four light Vanity fixtures, and the decor will dictate the optional shade type that will best fit within your space.*
