Custom Patinas - Before Installation

Hammered Iron Fireplace Screen
Aspen Accents - Rustic Patina

One of the finishing touches of any home is a custom fireplace screen from Naytura. Choose from a variety of finishes and styles and make your fireplace screen another design element of your decor. The rustic hand hammered iron frames are as rugged as they are beautiful.

Choose between Pine, Aspen or Oak as the main motif, or choose from one of our wildlife scenes. The majority of our Fireplace Screens are custom made based on our clients specifications.
